

St Luke's CE Primary School's Sports Funding 2015/16

Impact Report

Allocation: £8915

How is it spent?

A large portion (£3240) of our funding was spent on the successful partnership with Wigan Athletic Football Club. This agreement maximises the impact the funding can have. The benefits of the partnership are listed in the breakdown below (WAFC), together with our own uses of the funding.

Initiative	Cost	Outcome	Impact Measured through termly monitoring
Higher quality teaching in lessons through team teaching.	WAFC Cost £3240 Lancs County Cricket £395	Staff built on their skills by observing and team teaching with specialised sports coaches from Wigan Athletic FC and Lancashire County Cricket (2 hrs per week).	Children received higher quality PE lessons. Standards of pupils PE have increased. (see PE subject leader assessments and PE report to Headteacher.
Competition programme (See School Games Mark Award-Bronze)	Wigan LA LOGOS cluster of schools £1400	More of our children participated in competitive events coordinated by LOGOS and LLG PE leaders and LA. There was an increase in the range of competitions on offer at level 1 and level 2 School Games.	Pupils gained an increased understanding of winning and losing. Pupils increased their knowledge of the role of fair play and sportsmanship. Pupils gained more opportunities to develop skills in new sports.
Out of hours provision-extra curricular	WAFC cost £3200 FREE from school	Wigan Athletic and school staff provided two after school clubs during the school week for both KS1 and KS2. Clubs included: football, athletics, basketball, netball, multisports and rounders.	There was an increased participation in sport from the Early Years Foundation Stage through to Year 6.

Y5 pupils to receive play leaders training	£420	Training for Y5 pupils to lead play activities with KS1/KS2 children during lunchtimes.	Children gain an increased sense of responsibility. Increased levels of confidence amongst the leaders. KS1/KS2 pupils more focused during lunchtimes.
Staff training in gymnastics, dance, multisports and net games.	WAFC Cost £453.00	Staff received training in order to improve the teaching of the subject throughout the school.	Children's achievements are better in PE lessons as a result of high quality coaching and teaching.
Change4life club	PE Subject Leader Training	PE subject leader trained to lead a change4life club	Identified children become more active and encouraged to take part in Physical Activity.
Tri-golf set using the Sainsbury's voucher scheme.	N/A	Pupils received lessons in golf. The new equipment enabled children to learn the basics of golf, making it fun and engaging for the age group in question.	Children have had the opportunity to try golf in school. Increased participation in the sport.
Termly PE subject leader updates	£300 LOGOS cluster of schools	Subject leader attended termly PE updates.	St Luke's shared the good practice in PE with other local schools, as well as further boosting our contacts network and organising inter school competitions.
Bike ability	£300	The school provided	Children are more

training		bike training to all children in Y5.	aware of road dangers and have increased confidence when biking on roads. All pupils have completed bike safety training.
Swimming for Y3 children and the children in Y6 who need extra lessons to meet National Curriculum Standards before leaving primary school.	£1800	Children in Y3 received weekly swimming lessons at the Leigh Sports Village.	Most children are able to swim at least 25m by the time they leave school.
Life Education Bus	£400	Pupils have Increased knowledge of how to live a healthy lifestyle.	Pupils have a greater awareness about the dangers of obesity, smoking and other such activities that can undermine pupils' health.
Training for PE Subject Leader	£200	PE subject leader accessed training to develop PE throughout the whole school.	PE has an even higher profile in school. Standards of pupils PE have increased.
