Guidance on Infection Control in School

Could we please remind parents that children must remain off school for 48 hours following their last episode of sickness or diarrhoea. For further guidance please visit the Public Health England Website and search for Infection Control in Schools.

Well done to the Bowling Team who took part in a competition on Monday.

Thank you to The Friends of St Luke's for selling Mother's Day gifts all week at lunch time.

Thank you to everyone who attended the Easter Bingo on Wednesday and to the staff and parent helpers who organised it.

After School Activities

For the safety and wellbeing of all our pupils could we please request that if your child will not be attending an after school activity that they have signed up for, that you telephone the school office on 01942 201140 and leave a message with a member of the office staff. If children miss a club without any explanation more than once they may be asked to leave the club. Please would parents also reinforce the importance of pupils not leaving the school building when they should be at an after school club. Thank you.

Could we please remind parents not to send important messages regarding changes about who will be picking children up via the class DOJO. During the working day the staff do not always check the class DOJO whilst they are teaching. Therefore if you have any urgent or important messages regarding your child and their welfare during the school day please contact the school office on 01942 201140.

Pupil Absence

Could we please remind parents that when their child is off school they must telephone and leave a message on the school answer phone (option 1). On returning to school a letter explaining why they have been absent must be sent into school for your child's records. If your child has a hospital appointment please could school have a copy of the hospital letter (this can be photocopied in school in order for you to keep the original). If your child has a Doctors, Dentist or Opticians appointment and you have an appointment card please could school have a copy of this.

Although we are unable to authorise holidays in term time (except in extraordinary circumstances), we would still appreciate a letter to explain your child's absence.

Thank you for your continued understanding.
