

The School Improvement Plan is a live document.

Impact of actions taken are reported to governors in the Headteacher's report each term.

As a result of this evaluation of progress towards the targets in the SIP for the Autumn Term, these are the targets for the Spring Term.

School Improvement Objectives Autumn Term 2017

The key priorities are:

1. Increase the number of pupils in Maths achieving Greater Depth by 10% in each cohort.
2. To improve standards in Science by increasing the number of opportunities for scientific investigations across each year group (Increase GD by 10%).
3. Increase the level of challenge in the continuous play provision in both EYFS and Year 1.
4. Continue to improve pupils' attainment and progress in spelling.
5. To further improve behaviour at lunchtime by restructuring playtime provision.
6. Use the expertise of outstanding teachers to develop the teaching skills of the NQTs so that they are at consistently good or better
