## School Crossing Patrol

We appreciate that due to Covid 19 we have two gates open at the front of school and only one Crossing Patrol. In the interest of educating our pupils about road safety, could we please request that where possible parents always cross the road with the Crossing Patrol and then enter the school premises through the appropriate gate.

Thank you

### Illness

We would like to thank all of our families for their continued support over the last eighteen months during these unprecedented times.

Could we remind parents that if your child is unwell please keep them off school. If your child has diarrhoea or vomiting they should remain off school for 48 hours after the last episode of illness.

If your child shows signs of Covid-19 please could we ask that you keep them off school, and follow the latest government advice as well as take them for a PCR test and inform us of the results.
