- To improve standards of achievement in PE and sport - **achieved**
- To promote physical exercise and healthy lifestyles - **achieved**
- To promote self-regulation of keeping healthy - **achieved**

Area of Focus	Activities	Cost	Impact
<b>1) Increase participation in physical activity to 100% in all year groups. 1a) Increase participation in extra curricular clubs to 90% or more in each year group.</b>	Employ Wigan Athletic PE specialists to work alongside staff to deliver Physical Education throughout all phases of school (Primary Stars Programme).	Wigan Athletic - £6000  Lancashire County Cricket - £400	Outstanding P.E. has been delivered to all phases of school. Collaboration and CPD opportunities have been available for all staff. Staff have built on their skills by observing and team teaching with specialised sports coaches. An enhanced extra-curricular sporting programme has been implemented, providing a range of different sports available to all phases of school.  Pupils in school are active for at least 3 hours a week.  75% of children across the school have taken part in an extra-curricular club.

	Employ Wigan Athletic and Premier Sports PE specialists to deliver lunchtime and after school extra-curricular clubs.	Wigan Athletic cost as above. Premier Sports £2800	A greater volume of lunchtime/after school clubs has allowed children in all year groups leading to participate in more extra-curricular activities. This has also developed early development of fundamental movement skills for younger children. Pupils across all phases are able to access sports such as fencing, bowling, curling, golf and activities such as skipping and hula-hooping. There has been an increase in participation in different sporting activities. 78% of children have competed at an inter-school competition and 75% of children have taken part in an extra-curricular club. (See table below) This is sustainable as the welfare staff have all completed the playtime training.
	Play leader training.	£120	Junior leaders have been trained in year 5 and 6. Play leaders have assisted external coaches in running clubs at lunch times, including a Change4Life club, which targets children who are inactive.
	Swimming lessons for children in Year 3. Provide extra swimming sessions for pupils in Year 6 who did not reach the NCA in Year 3.	£400(instructors, pool hire and transport for x18 sessions)	100% of Year 6 pupils have met the NCA standard. They can swim 25m unaided.
	Train lunchtime welfare staff to be better playleaders	£120 £300 (Resources and equipment)	Lunchtime welfare staff are purposeful in their role and ensure that pupils are engaged in play, therefore increasing the number of active pupils at lunchtimes. Incidents at break time have reduced due to an improvement in behaviour of pupils.
	Continue Daily Mile and implement Super Movers into curriculum time.	£0	Each class takes part in the Daily Mile every day and uses Super Movers activities within the classroom. This has increased the time

			that children are active within the school day.
<b>2) Increase the number of nonelite participation and success in level 2 inter competitive school sports.</b>	Transport for sporting activities.	£2000	78% of children have represented the school at sporting events throughout the year.
	Enter school into a number of sport competitions over the course of the year, including inclusive competitions.	Transport cost as above	A high number of pupils have taken part in inter-school competitions. The school has had success at a number of competitions including the LOGOS Football League, LLG Hockey Competition and the KS1 and KS2 Dance competitions.
	Year 5 and 6 Junior Leaders to officiate and lead the Key Stage 1 Leigh games.	Transport cost as above	Junior leaders in Year 6 led activities for all 29 LLG schools at the annual key stage one Leigh games. 4 pupils in Y5 completed the FA 'mini whistlers' officiating course. As a result pupils have developed resilience, increased their self-esteem and established leadership qualities.
<b>3) How much more inclusive the physical education curriculum has become.</b>	New PE Subject Leader to complete subject leader Training.	£600	<p>The PE subject leader has accessed more training, which has helped to develop PE throughout the whole school. PE Leader has identified strengths and areas of development across the school. The profile of PE in school is excellent. New PE subject leader attended Sports Conference at DW stadium in July, and has had discussions with current leader before taking over in September.</p> <p>This is sustainable after the Sports Premium runs out because it will be built into the professional development of all future PE leaders. The existing PE lead will support with any succession planning.</p>

	Real PE curriculum for Key Stage One and Lower Key Two.	£1350	<p>PE Lead and staff have completed training. The standards of fundamental movement skills are beginning to improve. The resources and training have helped children develop core physical skills and levels of fitness .</p> <p>KS1 teachers have commented that resources have helped them to deliver outstanding lessons.</p>
<b>4) Growth in the range of traditional and alternative sporting activities</b>	Use specialist coaches to help with the delivery of non-traditional sport unfamiliar to PE lead, REAL PE, Apple Dance, One Day Creative, Wigan Athletic and Premier Sports e.g curling, jumprope and orienteering.	£1200 (Wigan and Premier Sport as above) Apple Dance £180 One Day Creative (African Dance and Drama) £695	<p>Pupils have engaged with a new and different sports as a result of external expertise/ resource provision.</p> <p>Y2 - Dance Y3/4-Curling / tri-golf. 5/6 –Orienteering / outdoor activities</p>
	PE Lead and relevant staff to complete coaching badges in a range of traditional sports such as Cricket, Netball, Football and Rugby.	£300	<p>PE lead is an expert in traditional sports. School has entered more inter school competitions and has achieved success in many, including gymnastics, hockey and football. PE lead has supported non-specialist staff.</p>

<b>5) Partnership work on physical education with other schools, clubs and local partners.</b>	Establish further links with local clubs through creating a directory, curriculum participation, club representation at level 2 competitions and after school clubs	£0	Existing partnerships have been strengthened. Pupils have been taking up sport and have been signposted to appropriate clubs.
	To facilitate a conference inviting local clubs and agencies in order to establish a network of links	£0	New club links have been made. (See above)
	Headteacher to provide PE training for Newly Qualified Teachers in LLG	£500 (Funded by LLG)	Standards for teaching in PE across LLG have been improved and are now more consistent. This has been shown through evaluation and feedback forms.

<b>6) Links with other subjects that contribute to pupils' overall achievement and greater spiritual, moral, social and cultural skills.</b>	Bikeability – Training for all Year 5 Pupils	£400	All Year 5 pupils have passed the Bicycle Proficiency Award. Children are more aware of road dangers and have increased confidence when biking on roads.
	Monitor the impact of participation in sport on academic outcomes for children at the end of KS2.	All costs mentioned.	Successful SATs results for Y6 pupils. 100% Maths, 94% SPAG and 97% Reading. Successful results also for EYFS and Y2 pupils.
<b>7) Greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.</b>	Anomaly Board	£650(Annual payment for 3 years/PTA fund other £650)	The anomaly board has increased parents awareness of health and safeguarding issues. Pupils have occasionally used the board to take part in physical activities and games at playtimes and lunchtimes. This could be developed further next year.
	Visit from the Life Education Bus for all classes.	£1100	Pupils have an increased knowledge of how to live a healthy lifestyle. They have developed a greater awareness about the dangers of obesity, smoking and other lifestyle choices that can negatively affect pupils' health.
