On Friday 7th June a non-uniform day will be held across all settings in the borough to raise awareness and support a Local Charity campaign called 'Real Change'.

The campaign is focused on raising awareness about the issues of homelessness and generating funds to help make a difference. Its goal is to help people away from the streets through raising funds via donations. As a collaborative effort involving local government, non-profit organizations, businesses and individuals, the campaign aims to harness the power of our community integrating online and social media channels, grassroots outreach and public service announcements.

The Real Change campaign seeks to touch hearts and minds with a long term, positive approach to a common concern. Further information about the charity is available on twitter and the internet at <https://realchangewiganandleigh.co.uk>.

We are asking for a £1.00 donation and all funds generated will be used by local charities working to end homelessness.
