**On Friday 7th June a non-uniform day will be held across all settings in the borough to raise awareness and support a Local Charity campaign called 'Real Change'.**

**The campaign is focused on raising awareness about the issues of homelessness and generating funds to help make a difference. Its goal is to help people away from the streets through raising funds via donations. As a collaborative effort involving local government, non-profit organizations, businesses and individuals, the campaign aims to harness the power of our community integrating online and social media channels, grassroots outreach and public service announcements.**

**The Real Change campaign seeks to touch hearts and minds with a long term, positive approach to a common concern. Further information about the charity is available on twitter and the internet at <https://realchangewiganandleigh.co.uk>.**

**We are asking for a £1.00 donation and all funds generated will be used by local charities working to end homelessness.**
