### Safeguarding

In the interest of infection control, could we please ask that if parents, pre school children, or children of school age who are off school ill, have an infectious disease or a contagious illness, that where possible they are not brought into the school building. Thank you.

### PE Kits

Could we please ask that all children have their PE kit in school.

PE kits are usually sent home for washing each half term but they must be returned on the first day back after the holidays.

On Friday 7th June a non-uniform day will be held across all settings in the borough to raise awareness and support a Local Charity campaign called 'Real Change'.

The campaign is focused on raising awareness about the issues of homelessness and generating funds to help make a difference. Its goal is to help people away from the streets through raising funds via donations. As a collaborative effort involving local government, non-profit organizations, businesses and individuals, the campaign aims to harness the power of our community integrating online and social media channels, grassroots outreach and public service announcements.

The Real Change campaign seeks to touch hearts and minds with a long term, positive approach to a common concern. Further information about the charity is available on twitter and the internet at <https://realchangewiganandleigh.co.uk>.

We are asking for a £1.00 donation and all funds generated will be used by local charities working to end homelessness.
