7. To obtain independent professional and character references that answer specific questions to help assess an applicant's suitability to work with children and follow up any concerns.
8. To scrutinise applications carefully and short list only those that match the criteria set.

9. To hold face to face interviews to explore the candidate's suitability to work with children as well as their suitability for the post.
10. To verify the successful candidate's identity
11. To verify academic and professional qualifications
12. To check previous employment history and experience
13. To identify and explore any 'gaps'
14. To verify the candidate's health and physical capacity for the job

Outcomes

Through the thorough nature of our recruitment process we will ensure that our school is staffed by well qualified people who are fit to work with children. In this way we will promote excellent education, teaching and learning in a safe and nurturing ethos where children thrive and do well. This policy should be used in conjunction with all other school policies for safeguarding children.
