

Dear children and parents,

A big hello to you all from everyone here at school! We hope you are all keeping safe and well and managed to enjoy the sunshine this week (with your suncream on of course!) Fingers crossed we have some more sun over the weekend! This week has been another very busy week in all of the year groups. Keep it up!

Wednesday was a special day for our caretaker, Alan. It was his birthday! Everyone at school wished him a very Happy Birthday and I am sure everyone at home does too. He has been working so hard during lockdown to keep school extra clean so it is as safe as possible for the children and staff. Thank you Alan!

Have a read of what the year groups have been up to and what your teachers have planned for you next week...

**RECEPTION:** Hello everyone! I hope you are all well. There have been some lovely photos on seesaw this week, thank you! **Next week I would like you to have a go at:**

- **How much money is in my jar? Worksheet. (work pack)**
- **The totals in the money jar up to 10p worksheet first. (work pack)**
- **The totals in the money jar up to 20p worksheet and if possible as a challenge the totals in the money jars worksheet up to £1. (work pack)**
- **How much do the ice creams cost worksheet. (class dojo)**
- **Have a go at the space home learning worksheet. (class dojo)**
- **Try the design your alien worksheet (class dojo). Can you label your alien and use some describing words?**
- **Can you label the rocket parts? worksheet (class dojo).**
- **Try to make a space puppet you can use the worksheet on class dojo or come up with your own ideas.**
- **Have a go at making your own space rocket using materials you find at home.**

I am missing you all. Please remember to upload your photos to Seesaw. Stay safe! Mrs R.

#### **YEAR ONE:**

Hi Year 1!

We have done lots and lots of work this week! In Maths, we have been learning about place value and comparing numbers.

This week, Year 1 became designers and engineers by creating their own London landmarks and buildings! How did you do?

**Next week I challenge you to:**

- **Complete Week 10 White Rose Maths tasks.**
- **Complete the Queen comprehension task.**
- **Find out more about man-made cities and the natural countryside areas of England.**
- **Learn the story of St George and the Dragon.**
- **Have some fun on Spelling Frame, BBC Bitesize or Phonics Play.**

I'm looking forward to seeing the work you do!  
Sending a big smile  
from Mrs Adamson x

**YEAR TWO:** Hello Year 2,

Thank you for continuing to send all your amazing work. We've had some fantastic phonics work this week and you have been working hard with your 2D and 3D shapes. I love seeing your daily challenge entries also. Keep it up, you are all doing so well.

**Next week I would like you to:**

- **Complete wk 10 White Rose Maths Sheets (See link to file on Class Story)**
- **Continue on with the BBC Bitesize home learning English lessons.**
- **Complete one of the phonics activity mats included in your packs.**
- **Research the Artist L.S Lowry and paint/draw a figure in the style he used.**
- **Spelling Frame, Numbots and TT Rockstars**

I look forward to seeing your photos.  
Stay Safe! Miss B x

**YEAR THREE:** Hello everybody!

Year 3 are hard at work again. We have been researching Roman gods (finding some rather peculiar ones). I have loved messages from home, they have been lovely to watch and read.

**Next week I would like you to try to:**

- Complete 22.6.20 maths tasks (school website) or have a go at the new reasoning work on 'iseemaths' (the link is on School Story).
- Complete 'week 5 additional maths tasks' (school website - school closures packs).
- Write a letter to me, telling me about some of the things you have been up to and how you are getting on (send via portfolio or dojo message).

Mr Smith

**YEAR FOUR:** Hello everybody and happy Friday! Year 4 have been busy bees again this week, working on reading skills in English and working with money in maths. Well done to those of you who have tried the Rapid Reasoning sheets too! I've also been sent some wonderful work about Elizabeth the First and Tudor discoveries.

**Next week I would like you to:**

- Maths - Continue with White Rose Maths and Rapid Reasoning. You could also try some ISeeMaths work. BBC Bitesize can help too.
- English - Continue to follow the daily lessons on BBC Bitesize. This week you will focus on writing letters. Maybe you could write me one! Keep working on Spelling Frame too.
- Research Project - This week, the Tudor Imagine theme is 'Clothes'. You can find the resource on Dojo. I can't wait to see what you come up with!
- Mrs Finch's RE/Music activities.
- Spelling Frame/TT Rockstars.

Keep smiling and be kind to yourselves.

Mrs Beechey x

**YEAR FIVE:** Hello Year 5! I hope you are all still working hard. There has been some superb work sent to me this week... solving the Ancient Greek murder mystery; conquering multiplying mixed numbers by integers; solving maths puzzles; multiplying and dividing by 10, 100, 1000; amazing 'Face Bakes' and RE art work.

**Next week I would like you to:**

- Continue with the White Rose Maths, iseemaths and the Lancashire Challenges (website).
- Solve a SPaG mat (website).
- Complete the Greek God Family Tree (website & Class Dojo).
- Greek dancing! (wait for this on Class Dojo)
- Mrs Finch's Music activities.
- Spelling Frame/BBC Bitesize.

Let me know if you need any extra help.

Keep yourselves safe and keep smiling! Mrs D x

**YEAR SIX:** Hello everyone! Another busy week for Year 6 who have really started to get stuck into their transition work both in the Be Awesome Go Big project and the HUGE high school transition workbook! Some wonderful efforts in the science dissolving activity, which looked great fun in the pictures I received.

I have been very impressed with how the children have started to take ownership of their learning in preparation for the move to high school and their growing independence.

Super news that we can meet again in a week!! I can't wait to see you Year 6!

**Next week in your GHS booklets, I would like you to:**

- Complete a postcard ('The Kraken') from the English section.
- Answer the first 7 questions on the Maths quiz
- Geography – Begin your race around the world! Be creative with your presentation and make your journey exciting – PRIZES ARE UP FOR GRABS AT GHS FOR THIS!!
- Art, Design and Technology – Complete the Photographic research page on a festival or celebration that you would see from around the world.

Have fun, stay safe and I WILL SEE YOU SOON! ☺

Mrs E x
