

Dear children and parents,

Happy Friday again everyone! Well, this time last week we were all enjoying ourselves in the beautiful sunshine but how different is it this week? The rain doesn't seem to have stopped! Let's hope the sunshine is hiding somewhere around the corner...

The rain certainly hasn't stopped Mr Smith's workout sessions; it's so good to see so many of you joining in with them and keeping fit and healthy. Keep it up!

This week you should have received the letter informing you about the classes next year and I'm sure you've noticed a couple of changes. The teachers are all busy recording messages to their new classes – watch out for those on Class Dojo very soon.

Keep yourselves safe and have a fantastic week.

We have had another fantastic week in Year 4, working hard on handling data, writing letters and learning all about Tudor clothing. I've enjoyed starting our new class reader and I'm looking forward to sharing more with you next week. YEAR FIVE:

Hello Year 5! What a fabulous week we've had in Year 5. The Greek God family trees that I have received photos of have really impressed me (I thought this was quite a tricky task!) Lots of you have been having a go at the Greek dancing – I have seen some great photos and it's good read your comments on Dojo about how you've enjoyed doing it. I am very proud of how many of you are showing just how mature you're becoming as you are working more independently now your parents are back at work or working from home.
