

The School Improvement Plan is a working document.

Impact of actions taken are reported to governors in the Headteacher's report each term.

As a result of this evaluation of progress towards the targets in the SIP for the Autumn Term, these are the targets for the Autumn Term.

School Improvement Objectives 2020/21

The key priorities are:

- 1. To provide a curriculum that promotes enquiring minds, independence and initiative.**
- 2. To use the embedded strategies to support pupils and staff mental health and well-being following the COVID-19 pandemic.**
- 3. To close the gap so that standards in boys' writing is more in line with that of the girls.**
- 4. To improve the standard of Design Technology skills to ensure that 90% of pupils are working within age related expectations.**
- 5. To ensure the gaps in phonics are diminished so that pupils are back on track to meet their individual targets.**
