Safeguarding

Could we please request that parents and carers keep their children next to them whilst waiting on the playground. We would like to continue to keep you all safe, especially those families who are vulnerable or have vulnerable relatives. As more than one class is on the playground at drop off and pick up times we are concerned about the 'class bubbles' not mixing during this time. If children from different families and classes mix and later someone is diagnosed with Covid 19 the result could be that more than one class would be asked to self-isolate. Thank you for your continued support during these unprecedented times.

Friends of St Luke's

You should have received a link via our text messaging service regarding our annual Christmas Raffle. http://www.saintlukes.wigan.sch.uk/serve_file/829929

Details of how to purchase and pay for tickets, along with a list of fantastic prizes are available on the link (please note that due to a typing error the first prize is a Samsung Galaxy Tab A and not a Tab 7).

Thank you to The Friends of St Luke's for being inventive and allowing this brilliant fundraising event to still take place, despite the unprecedented times we find ourselves in.

Thank you also to FOSL for their donation of fairy lights for our indoor Christmas Tree.

Forgotten Items

Please could we ask that parents do not drop non-essential items off at school during the school day. If this is unavoidable or involves essential equipment for your child please telephone the school office in advance to make arrangements.

Flu Vaccination Programme Catch-up Session

Intrahealth will visit school on Wednesday 02 December to administer flu vaccinations to the children who were absent when they visited earlier this month. This includes Reception and children in other year groups who were self-isolating or absent due to illness. If you have not yet registered your consent for the vaccination, or your child has now received the vaccination elsewhere, please call Intrahealth on 03333 583397/option 1.

Christmas Tree

As we are unable to celebrate Christmas together in school this year enjoying the Nativity, Carol Service and Christmas Fayre, we have decided to plant an everlasting Christmas tree in the school grounds at the front of school.

The tree should arrive in the next two weeks and we hope that it will bring some happiness to everyone during these unprecedented times and long into a 'Covid free' future.
