

# ST. LUKE'S CHURCH OF ENGLAND PRIMARY SCHOOL

Friday 29th January 2021

## School Meals for Week Commencing Monday 1/02/2021

A jacket potato with a choice of fillings will be available daily as will a filled bap/wrap. The hot meal options, subject to availability, will be as follows:

Monday — Pizza and 'smiley faces'.

Tuesday— Meatballs and pasta.

Wednesday— Chicken goujons and diced herby potatoes.

Thursday— Sausages and potato wedges.

Friday— Fish fingers and chips.

## School Website

Please visit our updated school website where you will find a lot of very useful information, from curriculum activities and fundraising to information letters and policies.

[Www.saintlukes.wigan.sch.uk](http://www.saintlukes.wigan.sch.uk)

## Home Schooling

We would like to thank all of our families for their continued support during these unprecedented times. As many of you know, homework packs are available from school if you are having difficulty accessing the classwork online or you do not have access to a printer. Please contact your child's teacher via class Dojo to order one.

We still require face masks to be worn when you are on the school premises. If a number of parents arrive at the same time to collect work packs please remember to maintain social distance.

If you are having difficulty accessing the internet, we have a number of devices that can be lent out to families. Please contact the school office if this would help you.

## Staff Lateral Flow Testing

You will have received a letter this week regarding our school staff being offered Lateral Flow Covid tests as part of a Government initiative.

Please be aware that if a member of staff tests positive a class maybe asked to self isolate at very short notice. We would recommend that you have a contingency plan in place for child care in the event of this happening. ### Free School Meals

If your child is entitled to free school meals due to income or benefit related reasons (not infant universal free school meals), school is offering a weekly hamper of essential food items that can be discreetly collected from school at a pre-arranged date and time.

Vegetarian hampers are also available.

If you would like to order a hamper please contact the school office by 12noon each Monday where this will be arranged in the strictest confidence.

We would like to thank our school meal provider, Orian, and our school cook who have worked hard to provide good quality hampers with a variety of fresh and long lasting nutritious food which parents have been pleased with, as well as providing a varied menu for the children in school.

Special thanks to our school cook Louise for the fantastic meals that she prepares everyday for the children in school.

### Amazon Smile

Please consider supporting school when shopping with Amazon, by using Amazon Smile. With every eligible purchase, Amazon will donate 0.5% to 'Lowton St Lukes School And Home Association' - the same products, same prices at no cost to you.

Whilst St Luke's remains partially open for vulnerable and key worker children, we urge you to follow the Government and Local Authority advice and only take up a place if you have absolutely no other safe alternative for childcare. If you can work from home please keep your child at home with you. This will minimise the chance of your child bringing the virus in to school or taking it home to your household. With the vaccination programme well under way there is an end in sight to the current situation and by following the advice and minimising our contacts we will protect all our families and school community so that we can all stay safe and well and be reunited in the not too distant future.
