

St Luke's Church of England Primary School

Safeguarding Statement

St Luke's Church of England Primary School is committed to safeguarding and promoting the welfare of children and staff, and expects all adults to share this commitment. We work with other agencies to ensure adequate arrangements within our school to prevent harm, and where it exists, identify, assess, and support those children who are suffering harm

We recognise that all adults have a part to play in protecting our pupils from harm, and their welfare is our paramount concern.

We strive to provide a caring, positive, safe and stimulating environment that promotes the social, physical and moral development of the individual child.
