involved in organising the Summer Festival.**

**It was a fantastic evening and everyone
appeared to be having great fun in the sunshine.**

Wool Wanted

If anyone has any wool that they no longer need please could this be sent into school for our art and Forest School projects.

Thank you.

Bikes, Scooters and Outdoor Play Equipment

Could we please remind parents, children and siblings that bikes, balance bikes and scooters must not be ridden in the playground when dropping off and picking up.

Children are not allowed to use the outdoor play equipment unless they are supervised by school staff during the school day.

Please note that this is in the interest of the health and safety of all our school families.

Thank you.

Library Books

Please could all school library books be returned as soon as possible. Thank you.

Dogs

Please could we remind parents and carers that pet dogs are not allowed on the playground or cycle path for health and safety reasons.

If possible could we suggest that if you are walking to school to drop off or pick up with your dog, that you do not stand next to the entrance to the school path as we have a number of children in school who feel anxious near dogs.

Thank you for your understanding and co operation.

Parking

Thank you to all of our parents and carers who are careful and courteous to our neighbours when dropping off and picking up from school. Following a request from neighbours, please could we ask that parents and carers are mindful that they do not block driveways or junctions, leave engines idling or drive at speed on residential streets. Thank you.

Music Lessons

If your child applied to start or continue with music lessons in September, their names have been added to the register.

The lessons will start the second week back of the autumn term and the fees will be available to pay on Lunch Hub. Please note all lessons should be paid for in advance.

You will be informed of the lesson day on the Newsletter the first week back of term.
