Dear Parents and Carers,

On Thursday 09 November, a professional working dog team from The Prison Service will be visiting school. They have worked in other schools and will bring their dogs to demonstrate to the children the dog's sniff, search and rescue skills as well as how the dogs can be trained to help people in every day life. They will be sniffing out balls and toys.

Each class will have it's own session, where the children will have the opportunity to pet the dogs and ask any questions that they have.

The dogs will be strictly supervised and no children will be asked to touch them or approach them. Where children wish to pet the dogs this will be supervised in small groups, by their handlers and school staff.

If your child suffers from a diagnosed allergy to dogs please contact the school office.

We are all really looking forward to Thursday and will tell you all about it in Friday's newsletter!

Yours sincerely,

S Hardaker
