Holidays in Term Time

Last week we sent a letter from Wigan Council which explains a new national framework for penalty notices for school absence, which follows changes in the law as to how we must manage and record absences from school: https://www.saintlukes.wigan.sch.uk/serve_file/28741313.

We cannot authorise any holiday during term time unless it is deemed that there are very exceptional circumstances. Regardless of the circumstances parents and carers must now complete an application for absence form, a minimum of 20 days before the planned absence, which can be found by following this link: https://www.saintlukes.wigan.sch.uk/serve_file/28834045. Paper copies are available from the school office.

Where we cannot authorise an absence and an absence occurs of five or more unauthorised days, then the Local Authority may issue an Education Penalty Notice to each parent/carer.

The national framework states that the following will not be deemed to be exceptional circumstances and must be recorded as unauthorised absence:

- Family holiday
- Availability of less expensive holiday
- Availability of holiday accommodation
- Parent/carer's working commitments
- Holiday pre-booked by another family member

If your child is unwell and unable to attend school, please telephone the school and select 'option 1' to report your child's absence, stating the reason for the absence – you are required to do this each day unless it has been agreed by us that this is not necessary if the absence is likely to be long term.

We request that, where possible, any dental, GP and other medical appointments are made outside of school time. If an appointment in school time is unavoidable, we request that details are provided to us as soon as possible.
