WIGAN WARRIORS

2024 PARTNER & STAKEHOLDER COMPLIMENTARY TICKET PROGRAMME

Congratulations! You have been selected to receive a complimentary ticket to an upcoming Wigan Warriors game in the Betfred Super League.

Here are some guidelines to help you to secure your tickets.

- Please click on the unique special link that you have been provided with to claim your complimentary ticket(s). This link will take you to the correct webpage to select your ticket(s). You will not be able to claim your complimentary tickets via any other link.
- The link will take you to our ticketing platform, Ticketmaster Sport, and the first thing to do is to sign in if you already have a Wigan Warriors ticketing account or create/register a new account. You may need to click the special link again once you have registered to ensure you're still in the right place.
- Once signed in, you will see an interactive seat map (ISM). This is a map of the Brick Community Stadium. Areas where you can claim tickets will be shaded dark blue. Select one of these areas. If no areas are shaded dark blue, then all available tickets may have already been claimed.
- Click on one of shaded areas. You will then be able to select up to four tickets/seats. Please only select the number you need to allow others to claim the tickets available. An unused tickets deprives others of the opportunity.
- When you select the seat, you should then choose "Charity", "School", "Further Education" or "Community Club", depending on your status. These will have £0.00 value, just click 'add' to add them to your basket. You have the option to add extra tickets at the category prices stated.
- When you have selected all of your tickets, click on the basket icon.
- You will see a summary of your selected tickets. Tick the box to acknowledge the terms and conditions, then click 'proceed to checkout.'
- On the checkout screen you will need to enter valid card details to complete the transaction, even if your balance is zero. You won't be charged for a zero balance.
- Choose how you wish to have your tickets delivered from the dropdown menu. To have tickets printed and posted there is a £1.50 charge, to have tickets printed and collected from the ticket office is £0.50 and to have tickets delivered digitally to print at home or add to your device is free of charge.
- Once your card details have been entered and delivery method chosen, click 'review order.'
- On the next screen, tick to agree to the general terms and conditions then click 'complete purchase.'
- And that's it, you're done! If you have requested posted tickets, they will take a couple of days, you can collect tickets from the ticket office up until kick off if that's what you request and digital tickets will land in the inbox of the email address on the account within a few minutes.

Enjoy the game!

Important notes.

- The ticket offer is intended for genuine recipients only. Unauthorised sharing of offer links is not permitted.
- Links are monitored for suspicious activity and where claimed tickets are deemed unauthorised, orders will be cancelled and access to the stadium blocked.
- You can claim up to four tickets but can purchase extras in the same transaction.
- Tickets must be claimed by a person in the group attending. It is not permitted to book on behalf of others.
