November 2021

Dear Parents and Carers,

Thank you to everyone who completed a questionnaire about your views of St. Luke's. This is the sixth time we have done this using the questions from the OFSTED Parent View. We really appreciate you taking the time to complete them, it has been extremely useful. It is something which we will continue to do annually as we value your feedback.

In total, we had fifty replies and the feedback was overwhelmingly positive.

It was pleasing that the vast majority of parents who sent the questionnaire back felt strongly that their child or children are happy at school; are making good progress; are taught well; feel safe; needs are met; the school is well led and managed and that the school makes sure that their pupils are well-behaved. It is also pleasing to see that all of you would recommend our school to other parents.

We also received positive comments such as:

'The school have been fantastic with dealing with any issues'

'Very caring and going the extra mile'

'Delighted with school and my daughter's progress'

'Teachers are really approachable and friendly'

'My children love coming to school'

'School is clearly well managed and led'

'I would highly recommend this school'

'We are really happy with the school and we wouldn't want our child to go anywhere else'

'Communication is great, all members of staff are friendly and approachable- nothing is too much trouble'

'Wonderful start to our child's school life'

'I can't fault the school, excellent'

'We couldn't be happier that our child is doing so well and is so happy at school. This speaks volumes for all staff and the environment'

'We are very happy with St Luke's as a school for our children. With well-being at the heart of what the school focuses on'

'It is a great school with great staff so I would like to say thank you for all of your hard work'

One parent expressed how they felt they missed out on the frequent progress updates due to Covid. They requested more regular progress updates moving forward. The school provides three progress reports a year, two through the parent consultations and one in the form of a written report. Please contact the school in between these reports if you require further informal updates on your child's progress..

I would like to take this opportunity to encourage you all to visit OFSTED's website and complete the online Parent View questionnaire. This will enable OFSTED to engage in your views of our school as it is possible that the school may be inspected at any time. You can find the questionnaire online at <https://parentview.ofsted.gov.uk/> or follow the link on the school website under the Parent Information page.

Thank you again for completing the questionnaire; it is very much appreciated. Please do not feel that you need to wait for another questionnaire if you have any concerns. At St Luke's we do try to

operate an 'open door' policy and by this we mean staff being available to talk to parents at the end of the school day. To make this manageable we ask that parents contact the school office to make an appointment. This helps us to make sure that the relevant staff are available as sometimes staff are running extra-curricular clubs, are on training courses or attending a staff meeting and alternative arrangements may need to be made. Parents can of course make arrangements to see myself or Mrs Derbyshire.

Yours sincerely,

*S Hardaker*

Mr S. Hardaker  
Headteacher

### ANALYSIS OF QUESTIONNAIRES

Numbers of parents/carers who completed the questionnaires:

		Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know
1	My child is happy at school.	41	9
