Dear Parents and Carers,

I hope you are all keeping well.

This is a reminder that, as your child is eligible for free school meals, you can collect a packed lunch from school each day during the school closure for Covid-19 management. If you wish to do this please email enquiries@admin.saintlukes.wigan.sch.uk with your child's choice of sandwich filling (ham, tuna/mayo, cheese or egg). To observe 'social distancing' we will arrange an appropriate collection point and time for you.

On the days that the school building is closed, such as bank holidays and half term, you can choose to access a voucher code through the government's school meal voucher scheme. If you have not already done so please email school at enquiries@admin.saintlukes.wigan.sch.uk as soon as possible if you wish to register for this – please provide the email address that you would like the codes sending to. (Please note that holiday voucher provision is available subject to current UK Government guidance and legislation and may be withdrawn by them at any time.) The voucher scheme is a very new initiative and we are experiencing lengthy delays in codes being issued so please be patient as it may take several days for you to receive your voucher codes from the Government's provider Edenred.

We appreciate that many of you are happy to provide your own lunches for your child but please, if you are struggling, do not hesitate to register for our free school meal provision as it is there to help you through these difficult times.

Yours sincerely,

S Hardaker
