Dear Parents and Carers,

I am writing to inform you that, in response to Church closures for the management of the Covid 19 pandemic, we have applied for a revision to our admissions arrangements for academic year 2021/2022.

Our proposed revision affects criterion three and four and acknowledges that it will not be possible for parents to evidence Church attendance during the Church closure period, but must continue to evidence attendance either side of the closures. If you or any one you know has a child due to start school in September 2021 it is your responsibility to confirm with your Church when it closed and re-opened.

I will contact you again with more details and publish the revision once our application is approved.

Yours sincerely,

S Hardaker
