14 July 2022

Dear Parents and Carers,

Hot Weather Arrangements, week commencing 18 July 2022

We seem to have waited all summer for some good weather and when it comes it is extreme! The Met Office has issued an Amber Extreme Heat Warning for next week <https://www.metoffice.gov.uk/about-us/press-office/news/weather-and-climate/2022/extreme-heat-warning-issued>

With the warm weather and Met Office warning in mind, we are asking parents and carers to take the following measures to ensure the comfort and safety of the children:

- Please send children to school in summer uniform (ties do not need to be worn) or their PE kits (T-shirt and shorts, not outdoor track suit please) and a sun hat.
- Please apply long lasting, high factor sunscreen before sending your child to school – further information on sunscreen and sun safety is available from the NHS: <https://www.nhs.uk/live-well/seasonal-health/sunscreen-and-sun-safety/> . If you require your child to apply a top up of their sunscreen during the school day please follow this link for further information: http://saintlukes.wigan.sch.uk/serve_file/6977813
- Please ensure that your child has a freshly filled water bottle with them each day.

If necessary, we will limit the time the children are outside at break and lunch times and allow them plenty of opportunity to access shaded areas.

Hopefully, by being careful and taking these steps we will all be able to enjoy this unprecedented weather.

Yours sincerely,

S Hardaker
