Dear Parents and Carers,

We have been made aware of a serious 'stranger danger' incident involving a child from another school, which occurred in the Golborne area this morning.

Please can we ask that you reinforce the 'stranger danger' principles with your children.

The NSPCC has a number of useful tools available to children and families and they advise the following:

- Make sure they know their address and your telephone number by heart, in case they get lost or have to navigate home from somewhere new.
- If they have a mobile phone, remind them to fully charge it before leaving the house, and make sure they have all your contact numbers saved.
- Talk to them about road safety. They should always look both ways before crossing the street, and never be on their phone whilst crossing a road.
- Remind them never to accept a lift from someone they don't know, or let a stranger into the house. They should never give personal information away – in real life or online.
- Remind them that if they feel unsafe or uncomfortable at any time, they can call you or a trusted adult.
- If they ever feel like they're in immediate danger, they should call the police straight away on 999.

Yours sincerely,

S Hardaker
