# reindeer run

This December we are challenging St Luke's to walk virtually from Lowton to Lapland, covering a distance of 2,214 miles. With 214 pupils at the school this works out at approx. 10 miles per person, easy peasy hey!

Each child will clock up the miles to Lapland over 10 days during their daily mile, starting on Friday 25<sup>th</sup> November 2022. To say thank you and to help them finish their journey, we will be setting up a super sparkly Christmas obstacle course for their final mile on 8<sup>th</sup> December, which is also Christmas jumper day so it will feel extra Christmassy for them!

To raise funds for the school and Project Playground, we have attached a sponsorship form to help the children raise some cash. Please return all cash to school in a labelled envelope by Friday 16<sup>th</sup> December 2022.

If you would prefer, we have set up a **crowdfunding** page to collect sponsor money as well. You can donate by using this link:

<https://justgiving.com/crowdfunding/lowtonstlukes>

Please share on your socials so your friends and family can donate too!

We are aware that times are challenging, so no matter how much sponsor money your child raises they will receive reindeer antlers and a bespoke Reindeer Run Medal.

Thanks for your support
